

The Arc Erie County New York

Clinic Services

The Arc Erie County in partnership with Aspire of WNY provides exceptional clinic services at all three of our certified locations across Western New York.

Full Service

All of our locations are full service and offer Physical Therapy, Occupational Therapy, Speech Therapy, and coming soon, Mental Health Counseling.

Quality Care

Our approach to clinical services is person-centered, holistic, collaborative and comprehensive while our highly skilled clinicians are specialists in treating people with developmental disabilities.

Our Locations

60 Main St. Hamburg, NY 14075
2643 Main St. Buffalo, NY 14214
30 Wilson Rd. Williamsville, NY 14221

Mental Health Counseling **coming soon!**

Achieve with us.[®] *The Article 16 Clinical Services offered are provided in partnership between The Arc Erie County and Aspire of WNY.*

Interested in clinic services? Please email or call our Intake Department if you are interested in an evaluation for clinic services.
